ASIAN SEED CONGRESS 2017 GOLF TOURNAMENT

FORE!!

Get ready to TEE-OFF at this year's **ASC 2017 GOLF TOURNAMENT** sponsored by **WUHAN YAFEI SEED**.

Located just 25 minutes from downtown Bangkok, **THANA CITY GOLF & SPORT CLUB** is Thailand's only golf course designed by golfing legend Greg Norman. The 6,966-yard par-72 course is said to be a tough and long course, with fast greens and ample water hazards, providing a great challenge for all levels of golfers.

Thana City Golf & Sport Club has been the venue for several major professional tournaments including the 1993 Thailand Open, the 1994 and 1995 Kosaido Thailand Ladies Open and the final round of the Johnnie Walker Super Tour 1996, won by Ernie Els. In addition to Ernie, world stars such as Greg Norman, Vijay Singh, Ian Woosnam, Laura Davies, and Thai superstar Thongchai Jaidee have all teed it up on the fairways of this amazing course.

The golf course landscaping makes use of many native trees and flowering shrubs. Plain grasses, reeds and lots of sand were used to create an illusion of a seaside links right in the middle of Bangkok City. The course layout is enhanced by natural streams, lakes and an abundance of strategically-placed sculptured sand traps. Greens are fast and well-manicured. Good sub-surface drainage allows for play throughout the year.

In addition to the golf course, facilities include a modern clubhouse, swimming pool, driving range, practice facilities and a golf academy. Dining facilities features a great selection of traditional Thai, Chinese, Japanese, and western dishes are served together with a beautiful smile from the friendly staff.
